

SUE WON £500, SECOND PRIZE IN THE HOSPICE LOTTERY. SHE TELLS US WHY SHE JOINED THE LOTTERY...

"I wanted to give back after the excellent care my mother-in-law received in 2004.

Our family will be forever grateful to the team at Nightingale House for the wonderful care and support given to us all at such a difficult time.

My daughter became a volunteer at the hospice and then became an employee. I wanted to get involved too, but I couldn't always attend hospice fundraising events because of work commitments. Joining the lottery meant that I was able to donate regularly to a cause that was close to my heart, and I could give something back.

The lottery win was a lovely surprise. As a family, we had such a difficult year after losing both my parents six weeks apart, so I put the money towards a trip to Prague with my daughter. We had a wonderful time, and it was nice to get to spend some quality time together."
